In re: W225BI, Stockade, FL
BPFT-20110330AAB
Facility ID # 94161

Dear Applicant:

This refers to the above-captioned application for a FM translator W225BI, Stockade, Florida.

W225BI proposes to rebroadcast WAYR(AM), Orange Park, Florida. An engineering study of the application reveals that it is in violation of 47 C.F.R. § 74.1201(g) since the entire 60 dBu service contour of the proposed translator is not within the 40 kilometer radius centered at the AM transmitter site. The application failed to discuss this violation. Therefore, we will dismiss the application.

In light of the above, Application BPFT-20110330AAB is unacceptable for filing pursuant to 47 C.F.R. § 73.3566(a) and IS HEREBY DISMISSED. This action is taken pursuant to 47 C.F.R. § 0.283.

Sincerely,

James D. Bradshaw
Associate Chief
